

# TRICK OR TREAT

**Praise God!** We are so happy that you are joining us in praying for the various needs that people have. Please know that we may ask anything according to the will of God and he hears and answers. If two or three of us agree on earth concerning anything that we ask, God will do it for us. So there is great power in praying God's word, and even greater power when we agree with God's word. So agree in prayer with us for success in these areas:

**SPIRIT OF DESTRUCTION  
WITCHCRAFT  
CRIMES AGAINST CHILDREN  
CRIMES AGAINST THE ELDERLY  
THE FAMILY  
FALSE FAMILIES**

## **TRICK or TREAT**

*So often we pick up the newspapers and see stories that cause us to react in anger. When this happens infrequently, we shrug and shake our heads. We reflect for a short time on how senseless these tragedies are. Sometimes we look for a reason, but for the most part, these tragedies are forgotten. We accept them as facts of life. Some people's lives are harder than others. Sometimes we believe that the persons have somehow caused these things to happen. We hope this is not true when we think of the things that we have done that could put us in the same position.*

*When stories of tragedy are reported over and over again, it is impossible to shrug them off. We must take notice. When you are called by God as a watchman, you must do more than take notice. You must seek God for a remedy and pray to irradiate the evil that caused the tragedy.*

*This is the season of Halloween, the highest of the satanic feast days. In recent months we have seen an increase of children abducted and/or murdered by deranged people. Because the spirit of destruction is one of Satan's greatest weapons to receive power through bloodshed, we typically begin to counterattack his offensive tactics during this time of year. Praying on Halloween will not do. By then, it is already too late to counterattack him because he has set his destructive forces in operation long before this holiday begins.*

*During this season, we begin praying what we call our "trick or treat" prayers. If you have these prayers already, please begin to pray them now. Pray them every day if possible, and take authority over this evil.*

## **GUIDELINES:**

These prayers are designed to be prayed with a partner. We are given the promise that if two of us on earth agree as touching anything that we may ask, Our Father who is in heaven will do what we ask. It is the function of the church to bind and loose. Also, it is easier to pray if one person prays in the Spirit while the other prays with the understanding. This allows the spirit of worship to prevail. Praying in the Holy Spirit allows the gifts of the Spirit to operate, especially the gift of prophecy, which gives the rhema word for the situation. The Lord will also prepare His people through foretelling events that will take place as a result of intercession.

Always balance your warfare with worship, as you are in the presence of God, you desire to give Him reverence at all times. Repent before praying. Worship the Lord until the anointing for intercession descends upon you.

- 1. Repent and cleanse soul in the blood of Jesus**
- 2. Break Curses and pray: - For people to repent - Claim redemption by the blood of Jesus - Pray the Word - Prophecy to principalities and powers and bind them - Declare the Lordship of Jesus Christ - Ask God to show mercy to those involved: those who give mercy shall obtain mercy - Break power of Retaliation: "The glory of the Lord will be our rearguard"**
